11. My office is the first old home on the left side of the road. It is a bungalow style home with a porch. There is a sign out front that has flying ducks carved out of wood on it. There is generally parking available on the street. Do not park in the large parking lot across the street from my office. This is owned and patrolled by a large office building on the bluff and they tow cars that are parked there without authorization.

My office is located at 411 Fifth Street, Oregon City, OR 97045. My office phone is (503)657-8946.
